

CLEAR PROTECT 24

24 Hour Hand Sanitiser & Protectant

100% NZ MADE

CLEAR PROTECT 24 Hour Hand Sanitiser & Protectant provides up to 24 hours protection with a single application.

It keeps on working for up to 24 hours, even with regular hand washing. Safe and non-toxic, this breakthrough product sanitises skin on contact and is proven to be 99.99% effective against viruses, bacteria and fungi. Unlike regular sanitisers, the gentle formula moisturises the skin and prevents drying, redness and chapping.

Features and Benefits

- ✓ Protects Hands for 24 Hours
