

INSTANT 70/30 Hand & Surface Sanitiser Wipes

CLEAR PROTECT INSTANT 70/30 Hand & Surface Sanitiser Wipes are highly evaporative, no-rinse, ethanol based wipes formulated for almost any sanitising application. Suitable for both hands and surfaces, for non-food and food contact surfaces.

› Features and Benefits

- ✓ Kills 99.99% of all germs
- ✓ 100% natural bamboo wipes
- ✓ Highly evaporative, ethanol-based
- ✓ Suitable for both hands and surfaces
- ✓ Effective against a wide range of bacterial, fungal and viral micro organisms
- ✓ Reusable plastic tub, refills sold separately

› Directions for Use

HANDS: Rub wipe over hands, ensuring to cover all surfaces on your hands, including palms, fingers and backs of hands. Rub hands together thoroughly to aid in the sanitising and drying process. Repeat process as needed.

SURFACES: Clear surfaces to be wiped. Remove any gross soils by manual scraping and discard hygienically. Apply neat using the wipe over the entire area. Leave to evaporate.

› Safety and Approvals

Refer to **SDS** for safety information.

- ✓ **MPI APPROVAL: C 54, C 44 & Generic approval 4.1.7 (all animal except dairy)**
MPI Approved for use in farm dairies.
MPI Recognised for use in dairy processing.
